WHEREAS, SOBRA, a federal-state partnership program, expanded Medicaid eligibility to cover more children and pregnant women from low-income families; and

WHEREAS, the result of this partnership has been a 22 percent decrease in Alabama's infant mortality rate, and improvement in access to health care for Alabama's children; and

WHEREAS, the Alabama Medicaid Agency recently issued proposed health care regulation changes which would disqualify an unknown number, possibly thousands, of pregnant women from Medicaid eligibility; and

WHEREAS, the proposed eligibility changes will unnecessarily delay early prenatal care for all Medicaid-eligible pregnant women; and

WHEREAS, press accounts throughout Alabama have decried the proposed eligibility restrictions, and numerous negative comments were received by the Medicaid Agency; and

WHEREAS, the Medicaid Agency is authorized to issue final regulations without further input; and

WHEREAS, the Medicaid Agency has not documented the impact that the proposed eligibility restrictions will have on Alabama's most vulnerable population; and

WHEREAS, it has been documented that for every \$1 invested in preventive care, \$3 in savings results; now therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE LEGISLATURE OF ALABAMA, That the Alabama Medicaid Agency is strongly urged not to reduce nor delay Medicaid eligibility for pregnant women and children from current levels, and that a copy of this resolution be sent to the agency director for immediate consideration.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has amended as therein shown and, as amended, has passed the following House Bill and returns same herewith to the House:

H. 462. To provide for the enactment of the Safe Streets Act of 1995; to provide for notice to the public of the act; to require the Department of Public Safety to notify a person by certified mail of the seizure and forfeiture of his or her motor vehicle, and include with the notice a demand for surrender of the license within a time certain; to provide certain exemptions; and to provide for seizure and forfeiture of a motor vehicle driven by a person who is driving while his or her driver's license or driving privilege has been cancelled, suspended, or revoked.

McDOWELL LEE
Secretary

SENATE MESSAGE

On motion of Representative Parker (T), the House concurred in and adopted the Senate amendment to the bill, H. 462, said Senate amendment being as follows:

A BILL
TO BE ENTITLED
AN ACT

To provide for the enactment of the Safe Streets Act of 1995; to provide for notice to the public of the act; to require the Department of Public Safety to notify a person by certified mail of the seizure and forfeiture of his or her motor vehicle; to provide certain exemptions; and to provide for seizure and forfeiture of a motor vehicle driven by a person who is driving while his or her driver's license or driving privilege has been suspended or revoked.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. This bill may be cited as the "Safe Streets Act of 1995."

Section 2. The Legislature finds and declares all of the following:

(1) Driving a motor vehicle on the public streets and highways is a privilege, not a right.

(2) Of all drivers involved in fatal accidents, a driver with a suspended license is more likely to be involved in a fatal accident than a properly licensed driver.

(3) Alabamians who comply with the law are frequently victims of traffic accidents caused by unlicensed drivers. These innocent victims suffer considerable pain and property loss at the hands of people who flaunt the law.

(4) A large number of persons whose driving privilege has been suspended or revoked continue to drive regardless of the law.

(5) It is necessary and appropriate to take additional steps to prevent unlicensed drivers from driving, including the civil forfeiture of vehicles used by unlicensed drivers. The state has a critical interest in enforcing its traffic laws and in keeping unlicensed drivers from illegally driving. Seizing the vehicles used by unlicensed drivers serves a significant governmental and public interest, namely the protection of the health, safety, and welfare of Alabamians from the harm of unlicensed drivers, who are involved in a disproportionate number of traffic incidents, and the avoidance of the associated destruction and damage to lives and property.

(6) The Safe Streets Act of 1995 is consistent with the due process requirements of the United States Constitution and the holding of the Supreme Court of the United States in *Calero-Toledo v. Pearson Yacht Leasing Co.*, 40 Ed. 2d 452.

Section 3. For the purposes of this act, the following words shall have the following meanings:

(1) **IMPOUNDING AGENCY.** The law enforcement agency which impounded the vehicle driven by a person without a valid driver's license.

(2) **LEGAL OWNER.** A lienholder, person with a security interest in a motor vehicle, a lessor of a motor vehicle, assignee of the lessor, or a person who is the registered owner of the motor vehicle.

Section 4. (a) Notwithstanding any other provision of law, and except as otherwise provided in this section, a motor vehicle is subject to forfeiture as a nuisance if it is driven on a highway of this state and all of the following conditions exist:

(1) The motor vehicle is registered in the name of the driver.

(2) The motor vehicle is driven by a person whose license or license privilege is suspended or revoked at the time he or she was stopped for having been previously convicted of driving under the influence of alcohol or a controlled substance, as defined in Section 32-5A-191 of the Code of Alabama 1975.

(b) A law enforcement officer may not stop a vehicle for the purpose of determining whether the driver is properly licensed under this act.

(c)(1) If a driver is unable to produce a valid driver's license on the demand of a law enforcement officer, the vehicle shall be impounded regardless of ownership, unless the peace officer is reasonably able, by other means, to verify that the driver is properly licensed. Prior to impounding a vehicle, a law enforcement officer shall make a reasonable attempt to verify the license status of a driver who claims to be properly licensed, but who is unable to produce the license on demand of the law enforcement officer.

(2) A law enforcement officer shall not impound a vehicle pursuant to this subdivision if the license of the driver expired within the preceding 90 days and the driver would otherwise have been properly licensed.

(3) A registered or legal owner of record including the holder of any lien or encumbrance on the vehicle at the time of impoundment may request a hearing to determine the validity of the impoundment pursuant to subsection (o).

(4) If the driver of a vehicle impounded pursuant to this subdivision was not a registered owner of the vehicle at the time of impoundment, or if the driver of the vehicle was a registered owner of the vehicle at the time of impoundment, but the driver does not have a previous conviction for a violation of Section 32-5A-191 of the Code of Alabama 1975, the vehicle shall be released and is not subject to forfeiture.

(d) A vehicle impounded pursuant to subsection (c) shall be released if:

(1) On the first violation of this act, the driver presents his or her valid driver's license, including a valid temporary Alabama driver's license or permit, to the impounding agency. The vehicle shall then be released to a registered owner of record at the time of impoundment, or an agent of the owner authorized in writing, upon payment of towing and normal and customary storage charges related to the impoundment, providing that the person claiming the vehicle is properly licensed and the vehicle is properly registered.

(2) On the second violation of this act and if the driver does not have a valid driver's license, and the driver presents a signed statement or affidavit that the loss of the vehicle will cause an economic or personal hardship to his or her household. The vehicle shall then be released to a registered owner of record at the time of impoundment, or an agent of the owner authorized in writing, upon payment of towing and normal and customary storage charges related to the impoundment, providing that the person claiming the vehicle is properly licensed or has a person who is properly licensed to drive the vehicle, and the vehicle is properly registered.

(e) On a third violation of this act, the vehicle shall remain in the custody of the impounding law enforcement agency unless the driver requests a hearing pursuant to subsection (d) and there is a favorable ruling for the driver.

(f)(1) The impounding agency, in the case of a vehicle that has not been redeemed pursuant to subsection (d), or has not been otherwise released, shall promptly ascertain from the Department of Revenue the names and addresses of all legal and registered owners of the vehicle.

(2) The impounding agency, within ten working days of impoundment, shall send a notice by certified mail, return receipt requested, to all legal owners of the vehicle, and to any holder of a lien or encumbrance on the vehicle, at the addresses obtained from the Department of Revenue informing them that the vehicle is subject to forfeiture and will be sold or otherwise disposed of pursuant to this section. The notice shall also include instructions for filing a claim with the district attorney of the judicial circuit wherein the vehicle was impounded, and the time limits for filing a claim. The notice shall also inform any legal owner of its right to conduct the sale pursuant to subsection (h). If a registered owner was personally served at the time of impoundment with a notice containing all the information required to be provided by this subdivision, no further notice is required to be sent to a registered owner. However, a notice shall be sent to the legal owners of the vehicle, if any.

(3) If no claims are filed and served within 30 days after the mailing of notice in subdivision (2), or if no claims are filed and served within 10 days of personal service of the notice specified in subdivision (2), when no other mailed notice is required pursuant to subdivision (2), the district attorney shall prepare a written declaration of forfeiture of the vehicle to the state. A written declaration of forfeiture signed by the district attorney under this subdivision shall be deemed to provide good and sufficient title to the forfeited vehicle. A copy of the declaration

shall be provided on request to the person informing of the pending forfeiture pursuant to paragraph (2). A claim that is filed and is later withdrawn by the claimant shall be deemed not to have been filed.

(4) If a claim is timely filed and served, then the district attorney shall file a petition of forfeiture with the appropriate court within 10 days of the receipt of the claim. The district attorney shall establish an expedited hearing date in accordance with instructions from the court, and the court shall hear the matter within five working days. The court filing fee shall be paid by the claimant, but shall be reimbursed by the impounding agency if the claimant prevails. To the extent practicable, the civil and criminal cases shall be heard at the same time in an expedited, consolidated proceeding.

(5) The burden of proof in the civil case shall be on the prosecuting agency by a preponderance of the evidence. All questions that may arise shall be decided and all other proceedings shall be conducted as in an ordinary civil action. A judgment of forfeiture does not require as a condition precedent to the conviction of a defendant of an offense which made the vehicle subject to forfeiture. The filing of a claim within the time limits specified in subdivision (3) is a jurisdictional prerequisite for the availing of the action authorized by subdivision (3).

(6) All rights, title, and interest in the vehicle shall vest in the state upon commission of the act giving rise to the forfeiture. However, when the certificate of title discloses lienholders, the impounding authority shall notify each lienholder of the seizure within 10 days of the seizure. If the total amount of a valid lien equals or exceeds the value of the vehicle seized, the vehicle shall be made available to the lienholder in order of priority upon payment by the lienholder of all costs of towing and storage to the impounding agency. The lienholder shall not dispose of the vehicle until and unless a verdict of guilty has been entered against the driver of the vehicle.

(g) Any vehicle impounded that is not redeemed pursuant to subsection (d) and is subsequently forfeited pursuant to this section shall be sold after an order of forfeiture is issued by a court pursuant to subsection (f).

(h) Any legal owner who in the regular course of business conducts sales of repossessed or surrendered motor vehicles may take possession and conduct the sale of the forfeited vehicle if it notifies the agency impounding the vehicle of its intent to conduct the sale within 15 days of the mailing of the notice pursuant to subsection (f). The sale of the vehicle after forfeiture pursuant to this subsection may be conducted at the time, in the manner, and on the notice usually given by the legal owner for the sale of repossessed or surrendered vehicles. The proceeds of any sale conducted by the legal owner shall be disposed of as provided in subsection (j).

(i) If the legal owner does not notify the agency impounding the vehicle of its intent to conduct the sale as provided in subsection (h), the agency shall offer the forfeited vehicle for sale at public auction within 60 days of receiving title to the vehicle. Low value vehicles shall be disposed of pursuant to subsection (1).

(j) The proceeds of a sale of a forfeited vehicle shall be disposed of in the following priority:

(1) To satisfy the towing and storage costs following impoundment, the costs of providing notice pursuant to subsection (f), the costs of sale, and the unfunded costs of judicial proceedings, if any.

(2) To the legal owner in an amount to satisfy the indebtedness owed to the legal owner remaining as of the date of sale, including accrued interest or finance charges and delinquency charges, providing that the principal indebtedness was incurred prior to the date of impoundment. The proceeds of the sale payable under this subparagraph shall be paid to the holder of the first priority lien or first priority encumbrance on the vehicle.

(3) To the holder of any subordinate lien or encumbrance on the vehicle, other than a registered or legal owner, to satisfy any indebtedness so secured if written notification of demand is received before distribution of the proceeds is completed. The holder of a subordinate lien or encumbrance, if requested, shall furnish reasonable proof of its interest and, unless it does so upon request, is not entitled to distribution pursuant to this section.

(4) To any other person, other than a registered or legal owner, who can reasonably establish an interest in the vehicle, if written notification received before distribution of the proceeds is completed.

(5) Of the remaining proceeds, funds shall be made available to pay any local agency and court costs that are reasonably related to the implementation of this section, that remain unsatisfied.

(6) Of the remaining proceeds, half shall be transferred to the State Treasurer for deposit in the General Fund for the benefit of the Department of Public Safety and half shall be transferred to the general fund of the municipality or county of the impounding agency. A portion of the local funds may be used to establish a reward fund for persons coming forward with information leading to the arrest and conviction of hit and run drivers and to publicize the availability of the reward fund.

(k) The person conducting the sale shall disburse the proceeds of the sale as provided in subsection (j) and shall provide a written accounting regarding the disposition to the impounding agency and, on request, to any person entitled to claiming a share of the proceeds, within 15 days after the sale is conducted.

(l) If the vehicle to be sold pursuant to this section is not of the type that can readily be sold to the public generally, the vehicle shall be conveyed to a licensed dismantler or donated to a public institution. License plates shall be removed from any vehicle conveyed to a dismantler pursuant to this subsection.

(m) No vehicle shall be sold pursuant to this section if the impounding agency determines the vehicle to have been stolen. In this event, the vehicle may be claimed by the registered owner at any time after impoundment, providing the vehicle registration is current and the registered owner has no outstanding traffic violations. If the identity of the legal and registered owners of the vehicle cannot be reasonably ascertained, the vehicle may be sold.

(n) Any owner of a vehicle who suffers any loss due to the impoundment or forfeiture of any vehicle pursuant to this section may recover the amount of the loss from the unlicensed, suspended, or revoked driver.

(o)(1) The impounding agency, if requested to do so, shall not later than 15 days after the date the vehicle was impounded provide the opportunity for a poststorage hearing to determine the validity of the storage to the persons who were the registered and legal owners of the vehicle at the time of impoundment, except that the hearing shall be requested within three days after the date the vehicle was impounded if personal service was provided to a registered owner pursuant to subdivision (2) of subsection (f) and no mailed notice is required.

(2) The poststorage hearing shall be conducted not later than two days after the date it was requested and it shall be conducted in the office or post headquarters of the law enforcement agency that seized the vehicle. The impounding agency may authorize its own officer or employee or request the municipal or district court, where appropriate, to conduct the hearing if the hearing officer is not the same person who directed the storage of the vehicle. Failure of either the registered or legal owner to request a hearing as provided in subdivision (1) or to attend a scheduled hearing shall satisfy the poststorage hearing requirement.

(3) The agency employing the person who directed the storage is responsible for the costs incurred for towing and storage if it is determined that the driver at the time of impoundment had a valid driver's license.

(p) As used in this section, "days" means workdays not including weekends and holidays.

(q) Charges for towing and storage for any vehicle impounded pursuant to this section shall not exceed the normal towing and storage rates for other vehicle towing and storage conducted by the impounding agency in the normal course of business.

(r) The Administrative Office of Courts shall prescribe and distribute standard forms and procedures for implementation of this section to be used by all courts and law enforcement agencies throughout the state.

(s) The impounding agency may act as the agent of the state in carrying out this section.

(t) No vehicle shall be impounded pursuant to this section if the driver has a valid license but the license is for a class of vehicle other than the vehicle operated by the driver.

Section 5. Upon conviction of a violation of Section 32-5A-191 of the Code of Alabama 1975, the court shall inform the defendant that a motor vehicle is subject to forfeiture as a nuisance if it is driven on a highway in this state by a driver whose driver's license or driving privilege has been suspended or revoked because of a conviction for a violation of Section 32-5A-191 of the Code of Alabama 1975.

Section 6. Nothing in this act shall be deemed either to authorize a municipality to enact an ordinance, or to preempt or preclude a municipality from enacting an ordinance, that provides for administrative sanctions involving impoundment of vehicles used in the commission of the offense of driving with a suspended or revoked license or without a license.

Section 7. The provisions of this act are severable. If any part of this act is declared invalid or unconstitutional, that declaration shall not affect the part which remains.

Section 8. All laws or parts of laws which conflict with this act are repealed.

Section 9. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

(3) The employees shall be instructed to tender their ballots in sealed envelopes to their supervisors within five days for submission to the Personnel Director who shall make appropriate arrangements for their retrieval and tabulation in the presence of at least two members of the Baldwin County legislative delegation.

(4) In the event that any one employee received a majority of all votes cast, he or she shall be deemed elected to serve on Board. In the event that no two employees receive at least a twenty-five percent plurality of all votes, then the names of the four employees receiving the most votes on the initial ballot shall be placed on a run-off ballot and voted upon by the employees as set forth above. Those two employees then receiving the most votes shall be deemed elected to membership on the Board.

(d) No person who holds elected office, is a candidate for elected office, or receives a salary from the county, except the classified employee board members, shall serve on the board. An Employee board member's term shall immediately terminate upon occurrence of any one of the foregoing conditions. A vacancy shall be filled in the same manner as the original appointment of a board member as soon as possible after a vacancy occurs. A board member shall be eligible for reappointment to successive terms on the board.

(e) Each member shall serve a three-year term with the exception of the initial members of the board. The initial members shall draw lots to determine two members who shall serve a three-year term, two members who shall serve a two-year term, and one member who shall serve a one-year term.

(f) The board shall follow administrative procedures adopted by the county commission to implement the appeals process. The personnel department shall provide all necessary clerical and administrative support for the board. The board shall meet as needed. Each year, board members shall select from among themselves a chairperson and secretary of the board. Board members may be compensated as established from time to time by the county commission.

(g) All testimony shall be under oath and the board has the power to subpoena witnesses and demand production of relevant documents. The board has the authority to affirm, revise, or amend any previous personnel decisions after a hearing.

(h) The board shall hear all appeals from the final action of the department head with respect to disciplinary action. From any adverse decision of the county commission, the employee shall be entitled to, within 7 days, appeal to the Circuit Court of Baldwin County for a non-jury trial de novo.

Section 10. A classified employee shall have the right to appeal any disciplinary action taken against him or her. An employee on probationary status shall not have that right unless the employee had permanent status in some other position at the time of appointment to the probationary position. An employee desiring to appeal any disciplinary action directed against him or her shall first exhaust any administrative remedy as provided by policy of the commission. Upon exhausting any administrative remedy, the employee shall then file his or her appeal in writing with the Personnel Director within seven calendar days of the last final administrative action on the disciplinary action, and shall request a hearing before the personnel appeals board. Within seven calendar days after the receipt of the appeal, the Personnel Director shall file with the chair of the board and mail to the employee by certified mail a statement specifying the charges against the employee on which the disciplinary action was based. Upon the filing of the charges, the chair shall call a meeting of the board to be held within 30 days after the filing of charges to hear the appeal, and shall forthwith give notice by certified mail to the employee and the board of the time and place of the meeting. Notice must be given 10 days prior to the meeting. The board shall have the authority to continue the hearing from time to time as may be necessary. In preparing for and conducting the hearing, the chair and secretary of the board shall each have the power to administer oaths, to subpoena and require the attendance of witnesses and the production of books, documents, and accounts pertaining to the grievance.

Subpoenas issued as herein provided shall be served and the fees and allowances for the services thereof shall be the same as is provided by law for the service of subpoenas issued by the circuit court of Baldwin County. The fees and allowances in connection with the service of the subpoena issued at the request of the county commission upon request of the board shall constitute reasonable and necessary expenses of the board. Any subpoena issued at the request of the employee shall be served as aforesaid, but only after the employee shall have deposited sufficient security with the sheriff or other recognized officer as will guarantee payment of the fees and allowances for the service. Any person failing to obey any summons by either of the officers of the board without good cause, to be determined by the circuit court of Baldwin County, may be punished by the court in the same method and manner as is provided by law for contempt of the court, and any person failing to obey any order or subpoena of the court, may be proceeded against by the court as is by law provided in the case of contempt of the court. In addition, any employee of the county who fails to obey any of the orders or subpoenas may be disciplined as provided in this act.

At the hearing before the board, the employee and his or her department head or supervisor shall each have the right to be represented by counsel, with the county commission authorized to employ legal counsel to represent the interest of the county, the hearing shall be governed by rules of practice and procedure as shall be adopted by the board, and in conducting the hearing, the board shall not be bound by the technical rules of evidence. No informality of procedure in the conduct of the hearing shall invalidate any recommendation made by the board. At the conclusion of the hearing, and within five working days

therefrom, the board shall recommend to the commission one of the following: (1) That the disciplinary action taken against the employee be affirmed. (2) That the disciplinary action be reversed and that the employee be reinstated with full back pay at the normal rate of pay that would have been in effect for the employee had he or she not been suspended without pay. (3) That the disciplinary action be reduced and that the employee be reinstated either without or with pay for any time suspended without pay. The recommendation shall be in writing to the chair of the county commission, and the county commission shall act upon such recommendation at its next regular or special called meeting and shall vote their approval or disapproval of the action of the board or may modify if the modification is less stringent than the action of the board, with the action becoming a matter of its official and public records.

Section 11. (a) Each appointing authority and department head is authorized to hire employees to fill approved vacancies as established by the county commission. All classified employees and temporary employees shall be hired from a certified register provided by the personnel department of job applicants who meet the job-related qualifications. After a certified register is submitted to a county appointing authority or department head, the selection of an employee shall be acted upon within 30 days of submission for approval of the county commission. An appointed employee is not required to be hired from a certified register. Employees appointed by the county shall be classified employees, except as provided by this act.

(b) All personnel activities shall be in accordance with the rules, policies, and procedures adopted by the county commission.

(c) The county commission shall provide full, fair, and adequate justification for each placement action taken and must be able to relate each such action to objective criteria established from commencement of the requisition and recruiting process. The county commission is directed to establish sufficient safeguards to prevent the arbitrary or capricious application of personnel policies and procedures to classified employees.

Section 12. All existing employees of Baldwin County who have successfully completed a probationary period on the effective date of this act, as currently provided shall be classified employees except employees designated in appointed employee positions as provided in this act.

Section 13. One appointed employee position may be filled by the judge of probate which position shall be designated chief clerk. Two appointed employee positions may be filled by the Revenue Commissioner which positions shall be designated chief clerk of collections and chief appraiser. The following shall be appointed contract employees: County Administrator, Emergency Management Director, Juvenile Detention Director, Personnel Director, Building Official, Clerk/Treasurer,

(1) A provision for termination and severance.

(2) A job description for the position.

(3) Semiannual written evaluation to be reviewed with the employee and retained by the commission in the employee's personnel file.

(4) A provision that the contract will be nonbinding on the successor commission after each four-year election; however, the contracts must be cancelled or continued within 90 days of the successor commission taking office.

Section 14. This act shall not affect the power of the county commission to contract for professional services or services not performed by a county employee on a regular basis.

Section 15. The provisions of this act are severable. If any part of this act is declared invalid or unconstitutional, that declaration shall not affect the part which remains.

Section 16. All laws or parts of laws, general, local, or special, including specifically as it applies to Baldwin County, which conflict with this act are hereby repealed. However, it is the intent of the Legislature that the personnel system, appeals processes, policies, procedures, rules and regulations herein established shall comply with and be construed to be in pari materia with orders of the Circuit Court of Baldwin County in that certain litigation styled Baldwin County Employees Association versus Baldwin County Commission Case No. CV-90-831. BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. The following amendment to the Constitution of Alabama of 1901, as amended, is proposed and shall become valid as a part thereof when approved by a majority of the qualified electors voting thereon and in accordance with Sections 284, 285, and 287 of the Constitution of Alabama of 1901, as amended:

PROPOSED AMENDMENT

A person elected or appointed to a public office after the effective date of this amendment shall not participate in or contribute to a supernumerary program nor assume a supernumerary office.

A person who, on the effective date of this amendment, is serving as a supernumerary official, or has made an election to become a supernumerary official, or is making contributions to a supernumerary program, or is otherwise entitled to participate in the supernumerary program established by statute may continue to serve or participate in the supernumerary program, which shall include the assumption of a supernumerary office after the effective date of this amendment, according to the terms and conditions of the law which established the supernumerary program, notwithstanding the fact that the person may be reelected after the effective date of this amendment to the public office he or she is holding on the effective date of this amendment.

Notwithstanding any provisions of this Constitution to the contrary including, but not limited to, Article IV, Section 98 as amended by Amendment No. 513, a circuit clerk, district clerk, court reporter, district attorney, or register may participate in the Employees' Retirement System of Alabama or any successor retirement system thereto; and a sheriff, full-time county commissioner, tax assessor, tax collector, revenue commissioner, license commissioner or other county official the duties of whom include the assessment or collection of ad valorem taxes for the county may participate in the Employees' Retirement System of Alabama if the county served by the official is a county unit member of the Employees' Retirement System. If the county served by the official is not a county unit member of the Employees' Retirement System the official may participate in the county retirement system which is available for employees of the county served by the official. Participation by a public official in the county or state retirement system shall be upon the same terms and conditions provided by law for participation by a state or county employee in the system. Nothing in this amendment shall be construed as authorizing a person to participate in both a supernumerary program and the Employees' Retirement System of Alabama or to participate in a supernumerary program and a county retirement system which is not a county unit participant under the Employees' Retirement System.

A public official who, on the effective date of this amendment, is participating in a supernumerary program pursuant to any statute, may irrevocably elect to withdraw from the supernumerary program and enroll in the Employees' Retirement System of Alabama or, in the case of a sheriff, full-time county commissioner, tax assessor, tax collector, revenue commissioner, license commissioner, or other county official the duties of whom include the assessment or collection of ad valorem taxes, the county retirement system for employees of the county served by the official, if the county system is not a unit participant in the Employees' Retirement System, upon the terms and conditions provided by law or regulation governing the retirement system in which the official enrolls. The election shall be in a form prescribed by the Retirement Systems of Alabama or the county retirement system which is not a county unit member of the Employees' Retirement System, and filed for record in the probate office of the county served by the official no later than thirty-six months following the effective date of this amendment.

For the purposes of this amendment the words "public office" shall mean the offices of circuit clerk, district clerk, court reporter, district attorney, judge of probate, register, sheriff, full-time county commissioner, tax assessor, tax collector, revenue commissioner, license commissioner, or other county office the duties of which include the assessment or collection of ad valorem taxes for the county. The words "public official" shall mean a person elected or appointed to serve in a "public office" as defined in this amendment.

Section 2. An election upon the proposed amendment is ordered to be held with the provisions of Sections 284 and 285 of the Constitution of Alabama of 1901, as amended, and the general election laws of this state.

Section 3. The appropriate election official shall assign a ballot number for the proposed constitutional amendment on the election ballot and shall set forth the following description of the substance or subject matter of the proposed constitutional amendment:

A BILL
TO BE ENTITLED
AN ACT

Relating to the offenses of driving a vehicle while under the influence of alcohol or a controlled substance; to amend Section 32-5A-191, Code of Alabama 1975, so as to increase the fines for such offenses and to lower the blood alcohol level at or above which a person is prohibited from operating a motor vehicle from 0.10 to 0.08 percent; to amend Section 32-5A-194, Code of Alabama 1975, to further provide for the presumptions based on the percentage of alcohol in blood; providing for the distribution of the additional fines; providing for the creation of the Alabama Chemical Testing Training and Equipment Trust Fund Advisory Board and the Alabama Chemical Testing Training and Equipment Trust Fund; providing for the composition and duties of the board; and appropriating \$900,000 from the Alabama Chemical Testing Training and Equipment Trust Fund to the Department of Forensic Sciences for the fiscal year ending September 30, 1996.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. The Legislature finds, determines, and declares the following:

(1) Driving a vehicle while under the influence of alcohol or a controlled substance continues to be a major problem on the highways of our state and causes the death or injury of thousands of our citizens each year.

(2) The Legislature should use whatever authority is available to it to discourage driving a vehicle while under the influence of alcohol or a controlled substance, including the levying of fines therefor at a level which will discourage such activity.

(3) Administering and implementing a quality chemical testing program for alcohol and controlled substances is costly for the taxpayers and thus the convicted offender should bear a greater portion of the financial burden of the chemical testing program at the state and local level.

(4) The chemical breath testing program conducted by this state has reduced the number of deaths and injuries, and the program continues to be the most effective and the most efficient scientific method to accurately determine if a driver has too much alcohol or a controlled substance in his or her system which would affect his or her ability to safely operate a motor vehicle.

(5) The accuracy and reliability of the chemical testing procedures must be beyond reasonable doubt since a defendant may be convicted under this act if the prosecuting attorney introduces a chemical test showing blood alcohol content of 0.08 percent or more.

(6) The Alabama Department of Forensic Sciences has properly upgraded the rules and regulations for breath testing to further insure that all tests meet

scientific standards for accuracy and reliability as defined by the Supreme Court of Alabama in the case of Mayo v. City of Madison, SC #1921892 (1994).

(7) The Alabama Department of Forensic Sciences and the Alabama Department of Public Safety, without designated funding, have managed, supervised, and conducted all necessary training and in further partnership with city and county law enforcement officers, successfully implemented the breath testing program as required by legislative mandate and in accordance with all court rulings.

(8) The needs of the breath testing program are and should be intimately affected with the public interests.

(9) This act should be liberally construed to accomplish its purposes and to promote the policies contained therein which are declared to be the public policy of this state.

"(a) Upon the trial of any civil, criminal or quasi-criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual control of a vehicle while under the influence of alcohol or controlled substance, evidence of the amount of alcohol or controlled substance in a person's blood at the alleged time, as determined by a chemical analysis of the person's blood, urine, breath or other bodily substance, shall be admissible. Where such a chemical test is made the following provisions shall apply:

"(1) Chemical analyses of the person's blood, urine, breath or other bodily substance to be considered valid under the provisions of this section shall have been performed according to methods approved by the department of forensic sciences and by an individual possessing a valid permit issued by the department of forensic sciences for this purpose. The court trying the case may take judicial notice of the methods approved by the department of forensic sciences. The department of forensic sciences is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct such analyses, and to issue permits which shall be subject to termination or revocation at the discretion of the department of forensic sciences. The department of forensic sciences shall not approve the permit required in this section for making tests for any law enforcement officer other than a member of the state highway patrol, a sheriff or his deputies, a city policeman or laboratory personnel employed by the department of forensic sciences.

"(2) When a person shall submit to a blood test at the direction of a law enforcement officer under the provisions of section 32-5-192, only a physician or a registered nurse (or other qualified person) may withdraw blood for the purpose of determining the alcoholic content therein. This limitation shall not apply to the taking of breath or urine specimens. If the test given under section 32-5-192 is a chemical test of urine, the person tested shall be given such privacy in the taking of the urine specimen as will insure the accuracy of the specimen and, at the same time, maintain the dignity of the individual involved.

"(3) The person tested may at his own expense have a physician, or a qualified technician, registered nurse or other qualified person of his own choosing administer a chemical test or tests in addition to any administered at the discretion of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

"(4) Upon the written request of the person who shall submit to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to him or his attorney.

"(5) Percent by weight of alcohol in the blood shall be based upon grams of alcohol per 100 cubic centimeters of blood or grams of alcohol per 210 liters of breath.

"(b) Upon the trial of any civil, criminal, or quasi-criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a vehicle while under the influence of alcohol, the amount of alcohol in the person's blood at the time alleged as shown by chemical analysis of the person's blood, urine, breath or other bodily substance shall give rise to the following presumptions:

"(1) If there were at that time 0.05 percent or less by weight of alcohol in the person's blood, it shall be presumed that the person was not under the influence of alcohol.

"(2) If there were at the time in excess of 0.05 percent but less than ~~0.10~~ 0.08 percent by weight of alcohol in the person's blood, such fact shall not give rise to any presumption that the person was or was not under the influence of alcohol, but such fact may be considered with other competent evidence in determining whether the person was under the influence of alcohol.

"(3) If there were at that time ~~0.10~~ 0.08 percent or more by weight of alcohol in the person's blood, it shall be presumed that the person was under the influence of alcohol.

"(4) The foregoing provisions of this subsection shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was under the influence of alcohol.

"(c) If a person under arrest refuses to submit to a chemical test under the provisions of section 32-5-192, evidence of refusal shall be admissible in any civil, criminal or quasi-criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle while under the influence of alcohol or controlled substance.

"(d) No physician, registered nurse or duly licensed chemical laboratory technologist or clinical laboratory technician or medical facility shall incur any civil or criminal liability as a result of the proper administering of a blood test when requested in writing by a law enforcement officer to administer such a test."

Section 3. (a) There is hereby established a special fund in the State Treasury, to be known as the Alabama Chemical Testing Training and Equipment Trust Fund.

(b) The State Treasurer shall invest money in the fund as is provided by law but all earnings from the fund shall be credited to the fund. SENATE MESSAGE

On motion of Representative Box, the House concurred in and adopted the Senate amendment to the bill, H. 152, said Senate amendment being as follows:

**A BILL
TO BE ENTITLED
AN ACT**

To provide for a statewide voter file maintenance process; to provide that the state shall pay certain costs associated with the process; and to provide for certain supplemental effect.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. The county boards of registrars throughout the state shall use the voter file maintenance process prescribed in this act in lieu of any voter list purge procedures heretofore provided by law except where the purge procedures are necessary to remove from a list of registered voters the names of voters who are deceased, voters convicted of disqualifying crimes and voters adjudged as mentally incompetent by a court of competent jurisdiction. Publication of the names of registered voters pursuant to Chapter 4 of Title 17 of the Code of Alabama 1975, may be by general circulation newspaper or by publication in a "free-circulation" newspaper at the discretion of the county commission. Provided, however, that the "free-circulation" newspaper must have been in continuous publication for at least one year prior to the publication of the voter list and is distributed to at least as many homes as the general circulation newspaper in the county of publication.

Section 2. (a) Beginning in January, 1996, and each year thereafter during the month of January, the county boards of registrars shall conduct voter list maintenance activities in lieu of the purge activities which were heretofore conducted in the month of August.

(b) Beginning in January, 1997, and in January of every fourth year thereafter, the boards of registrars shall mail a nonforwardable notice to all registered voters in the county. The notice shall be designed and provided for the boards of registrars by the Secretary of State. The notice shall be sent on a postcard providing general information on elections. The notice shall be mailed to the last known address of the voter appearing on the voter registration list. If the notice is returned to the boards of registrars indicating that the voter may have relocated, the board shall send a forwardable notice to the registered voter on which the voter may confirm his or her current address. The forwardable notice shall be mailed no later than 90 days after receipt of the returned nonforwardable notice. The boards of registrars shall record and maintain the dates on which the nonforwardable notice was returned to the board and the date on which the forwardable notice was mailed to the registered voter.

(c) The boards of registrars shall update the voter list for the county using the information reported to the board by the registered voters on the address confirmation cards provided for in subsection (b). If the registered voter does not respond to the forwardable notice on which the registered voter may confirm his or her address within 90 days on the date on which the notice was mailed or if the forwardable notice is returned to the board as undeliverable, the boards of registrars shall place the name of the registered voter on the inactive list of registered voters and in a suspense file in the office of the board. The suspense file shall contain all of the following information:

(1) The name of the registered voter.

(2) The last known address of the registered voter.

(3) The social security number or other personal identification number of the registered voter.

(4) The date on which the name of the registered voter was placed in the suspense file.

(d) The name of a registered voter who does not vote or appear to vote in one of the next two federal elections held after his or her name is placed in the suspense file shall be removed from the voter list.

(e) The names of persons to be removed from the list of registered voters shall be listed by precinct and in alphabetical order and published in a newspaper of general circulation in the county once a week for two consecutive weeks in November or December of each year commencing in November 1996.

Section 3. The state shall reimburse each county commission for all the postage costs associated with voter lists maintenance activities provided for in this act and one-fourth of the cost of the publication of the names of persons to be removed from the list of registered voters as required in Section 2. The reimbursement shall be made from the Election Expenses Account in the state treasury upon approval by the Secretary of State on warrants drawn by the State Comptroller.

Section 4. The judge of probate shall have access to and be provided with the current list of registered voters within his or her county at no cost within seven days after making the request. If computer access to the list of registered voters is available, upon request for access, the judge of probate shall be provided with immediate on-line availability to the list. No agency, department, or office of the State of Alabama shall pay any cost associated with printing or computer access to a list of registered voters available to a judge of probate under this section.

Section 5. This act shall be cumulative and supplemental to Act 84-389 now appearing as Article 7, Chapter 4 of Title 17 of the Code of Alabama 1975. Except as provided in Section 2 (a) and (b) of this act, this act shall not amend, repeal, or supersede Act 84-389 now appearing as Article 7, Chapter 4 of Title 17 of the Code of Alabama 1975.

Section 6. The provisions of this act are severable. If any part of this act is declared invalid or unconstitutional, that declaration shall not affect the part which remains.

Section 7. This act, upon its passage and approval by the Governor, or upon its otherwise becoming a law, shall become effective January 1, 1996.

On page 2, delete lines 14 through 20 in their entirety and insert in lieu thereof: circulation newspaper.

No justice or judge who has been tried before the Court of the Judiciary shall be subject to impeachment on the same charge or subject matter. No conduct that occurred prior to the effective date of this amendment may be the basis of a proceeding of impeachment under this section. No article of impeachment shall be passed upon less than two-thirds majority of the House of Representatives and no conviction of impeachment shall be had upon less than two-thirds majority of the Senate under this section. Dissatisfaction with the ruling of a judge or justice shall not be a ground upon which impeachment under this section may proceed."

H. 194. To require successful candidates for justice and judge of the appellate courts and circuit and district courts to file certain disclosure statements of contributions received; to provide for the disclosure of subsequent contributions; to provide for the acceptance of contributions from political action committees; to require certain parties and attorneys to file disclosure statements of contributions; to provide for a procedure for the disqualification of a judicial officer; and to prescribe penalties for failure to file the statements.

McDOWELL LEE

SENATE MESSAGE

On motion of Representative Turner, the House concurred in and adopted the Senate amendment to the bill, H. 194, said Senate amendment being as follows:

A BILL
TO BE ENTITLED
AN ACT

To require justices and judges of the appellate and circuit courts to file certain disclosure statements of contributions received; to provide for the disclosure of subsequent contributions; to provide for the acceptance of contributions from political action committees; to require certain parties and attorneys to file disclosure statements of contributions; to provide for a procedure for the recusal of a justice or judge; and to prescribe penalties for failure to file the statements.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. The Legislature intends by this act to require the recusal of a justice or judge from hearing a case in which there may be an appearance of impropriety because as a candidate the justice or judge received a substantial contribution from a party to the case, including attorneys for the party, and all others described in Section 2(b) herein. This legislation in no way intends to suggest that any sitting justice or judge of this state would be less than fair and impartial in any case. It merely intends for all the parties to a case and the public be made aware of campaign contributions made to a justice or judge by parties in a case and others described in Section 2(b) herein.

Section 2. (a) Any justice or judge of an appellate or circuit court of this state shall file, at least two weeks prior to the commencement of his or her term of office, with the Secretary of State, a statement disclosing the names and addresses of campaign contributors and the amount of each contribution made to him or her in the election immediately preceding his or her new term in office. Contributions from political action committees may be accepted if the committee furnishes to the Secretary of State according to existing law a list of names and addresses of contributors and an amount properly attributable to each contributor. When a justice or judge does not file this annual statement, the Secretary of State shall notify the Administrative Office of Courts and that office shall withhold further compensation to the justice or judge pending compliance with this section.

(b) The Supreme Court shall provide under the appropriate rules of court, a rule or rules which provide as follows: In an appellate court proceeding the attorneys for all parties shall serve certificates of disclosure on all attorneys of record before such court within 28 days after the filing of the notice of appeal; or in a circuit court within 28 days after notice of the identity of the judge presiding on the case. Each certificate shall state the amount, if any, of campaign contributions by the respective individual donor or entity to any justice or judge of an appellate court where the case is pending, or if it is a trial court proceeding, the amount, if any, of campaign contributions by the respective individual donor or entity to the judge presiding over the case, made in the last election by the party or real parties in interest, any holder of five percent (5%) or more of a corporate party's stock, any employees of the party acting under that party's direction, any insurance carrier for the party which is potentially liable for the party's exposure in the case, the attorney for the party, other lawyers in practice with the attorney, and any employees acting under the direction of the attorney or acting under the direction of those in practice with the attorney. The failure to file the certificates of disclosure within the time frames set out above shall not affect the validity of the filing but the court may impose sanctions provided for by Rule 37(b) (2) (C, D) of the Alabama Rules of Civil Procedure, for the failure of a party to comply with this section after being ordered to do so.

(c) The action shall be assigned to a justice or judge regardless of the information contained in the certificates of disclosure. If the action is assigned to a justice or judge of an appellate court who has received more than four thousand

dollars (\$4,000) based on the information set forth in any one certificate of disclosure, or to a circuit judge who has received more than two thousand dollars (\$2,000) based on the information set out in any one certificate of disclosure, then, within 14 days after all parties have filed a certificate of disclosure, any party who has filed a certificate of disclosure setting out an amount including all amounts contributed by any person or entity designated in Section 2(b) above, below the limit applicable to the justice or judge, or an amount above the applicable limit but less than that of any opposing party, shall file a written notice requiring recusal of the justice or judge or else such party shall be deemed to have waived such right to a recusal. Under no circumstances shall a justice or judge solicit a waiver of recusal or participate in the action in any way when the justice or judge knows that the contributions of a party or its attorney exceed the applicable limit and there has been no waiver of recusal.

Section 3. All actions required hereunder shall begin with the first election after the effective date of this act. This act shall become effective on January 1, 1996.

RESOLUTION

The following resolution was introduced:

By Representative Turner:

H.R. 544. DESIGNATING THE RECIPIENT OF THE 1995 SHROUD AWARD.

WHEREAS, after recovering from the shock caused by the political passing of a large number of former members of this body, your mournful funeral director wishes to inform the gleeful beneficiaries of those electoral deaths and their elders, the fortunate survivors of the 1994 election massacre, of the annual sine die benediction known as the Shroud Award, a final will and testament of the deadeast piece of legislation introduced in the House of Representatives during the 1995 Regular Session; and

WHEREAS, the award was the creation of a former member of this body whose livelihood, or rather deadlihood, was that of an undertaker, but whose appreciation of dark humor was entombed as a traditional final legislative day support group celebration whose mirth in the face of the grim reaper rivals that of a Mobile Jazz Funeral Procession; and

WHEREAS, the somber hour has arrived to dig deeper into this grave issue, the Legislators who hold the power to designate those bills that are merely dead, and that one bill which has been blessed and is bound for glory, have assembled, determined the cause of death, and have transcribed the death certificate; the obituaries of those bills worthy of recognition commence:

House Bill 445 by Representative Nelson Starkey, who reminds us of the Greek Sisyphus who was condemned to spend eternity rolling a huge stone to the top of a hill only to have it, at the summit, fall back to the bottom; like this mythological figure, our colleague continues to push an increasingly heavy constitutional amendment known as the 20 Mills bill to the crest of potential education and tax reform only to see it once again fail to make it over the top.

House Bill 731 by Representative Jim Haney, the half-brother of the Starkey Bill which met a similar sad fate, a victim of a terrible plague that has attacked Goat Hill, the "Read My Lips-No New Taxes" bacteria, a dire disease that originated in the Land of Fob, a popular place to be.

House Bills 446, 447, and 448 by Representative J. E. Turner, a trilogy longer than War and Peace written in a language known only to one, subsequently published in condensed form as House Bill 930, proposing casino gambling and a state lottery; once more these bets came up snake eyes, and these reptiles never slithered far enough to do major damage, other than to a forest of trees which were "Slaughtered" on their behalf; and

WHEREAS, prior to opening the casket to view the remains, two legislative matters not in bill form beg our mention:

The state of the art voting machine in this chamber, the malfunctions of which have been blamed for the demise of numerous bills and whose dead time appropriately honors the theme of this resolution and threatens to send House staff members to an early grave, or at least cause the loss of Clerk Pappas' last few strands of hair.

And our colleagues on the Seventh Floor, who wistfully believe they are closer to Heaven, but whose sinister actions this session cannot be imitated even by those residing in the underworld; the Devil himself could not spend forty minutes arguing whether to call the roll, but rejoice, some members of that deliberate body may soon receive their divine reward as their bills are given as much chance in this sanctuary as a snowball has at the well; and

WHEREAS, the time has come to notify the parent of that bill which will be everlastingly draped in the black covering of this gruesome garment, a chancy proposal whose grisly murder surpasses any current Hollywood horror, a death by a humiliating vote of 8 yeas and 67 nays on a motion to suspend the rules and bring the victim-to-be up out of order, perhaps the worse defeat of such a motion ever witnessed by the "veterans" of this hall, and a plunge into parliamentary purgatory that both disproved the theory that every bill has some value and caused the tote board to turn a mass of bright red, a blaze of color only surpassed by the crimson face of its proponent; now therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE LEGISLATURE OF ALABAMA, That Rookie Representative Randy Hinshaw, the bereaved sponsor of House Bill 605, the "Alabama Veterans Foundation Share-Lottery Act," lead the procession down to the pit of infamy to accept the symbolic shroud and a copy of this resolution for placement upon the tombstone of his beloved bill.

On motion of Representative Turner, the rules were suspended and the resolution, H.R. 544, was adopted.

The Bonds authorized in this Act to be issued by the Authority shall be in addition to all other bonds previously authorized to be issued by it, and the powers conferred on the Authority by this Act are in addition to all other powers heretofore conferred on the Authority by acts heretofore enacted by the Legislature.

SECTION 3. Execution and Other Details of the Bonds. The Bonds shall be signed by the president or vice-president of the Authority, and the seal of the corporation shall be affixed thereto (or a facsimile thereof imprinted thereon) and attested by its secretary. All signatures of the president, vice-president, and secretary may be facsimile signatures if the Authority, in its proceedings with respect to issuance, provides for manual authentication (which may be in the form of a certificate as to registration) of the Bonds by a trustee, registrar or paying agent or by named individuals who are employees of the State and who are assigned to the Finance Department or State Treasurer's Office of the State. All Bonds bearing signatures or facsimiles of the signatures of officers of the Authority in office on the date of signing thereof shall be valid and binding notwithstanding that before the delivery thereof and payment therefor, any officer whose signature appears thereon shall have ceased to be an officer of the Authority. The Bonds

and the income therefrom shall be exempt from all taxation in the State, may be used as security for deposits, and shall be eligible for investments of fiduciary funds, as provided in the 1965 Act. The Bonds shall be construed to have all the qualities and incidents of negotiable instruments subject to any registration provisions pertaining to transfers. The Authority and the Bonds shall be exempt from all laws of the State governing usury including, without limitation, the provisions of Title 8, Chapter 8, Code of Alabama 1975, or any subsequent statute of similar import. The Bonds shall be in such form or forms and denomination or denominations and of such tenor and maturities, shall bear such rate or rates of interest payable and evidenced in such manner, may be made subject to redemption prior to their maturities, and may contain provisions not inconsistent with this Act, all as may be provided by the resolution of the Authority under which the Bonds may be issued; provided, that no Bonds shall have a specified maturity date later than twenty years after their date; and provided further, that those Bonds having maturities more than ten years after their date shall be subject to redemption at the option of the Authority on any interest payment date on and after the tenth anniversary after their date at such redemption price and under such conditions as may be prescribed in the proceedings of the Authority under which they are issued. For the purpose of paying the principal of, premium, if any, and interest on the Bonds or any Refunding Bonds, the Authority shall designate the State Treasurer or such bank or banks with its principal office within the State as it, in its discretion, determines to be appropriate and desirable. Funds for the payment of debt service shall be transferred by the Authority or the State Treasurer on behalf of the Authority to the designated paying agent on the actual due date of such principal, premium, if any, or interest.

SECTION 4. Sale of the Bonds. The Bonds may be sold by the Authority from time to time in series, and if sold in more than one series, may all be authorized in one initial resolution of the Authority with the pledges therefor made by the Authority in such initial resolution although some of the details applicable to each series may be specified in the respective resolutions under which the different series are issued. The Authority, in the course of establishing, by resolution, a principal amount of Bonds to be authorized for sale at any given time, or to be sold in any series, may take into account the existence of any unexpended proceeds or prior issues of bonds of the Authority (and of any other issuer, if such should be deemed by the Authority to be relevant), and may structure the portions of the allocations (provided for in Section 8 of this Act) to be distributed from the proceeds of a particular series (constituting less than all the Bonds authorized by this Act) as the Authority deems necessary or prudent in order to enable the Authority to comply with any tax covenants that may be required of it, or that may be deemed by it to be prudent to be given by it, in connection with sale of any series of the Bonds. Each series of the Bonds shall be sold at competitive bid and at such price or prices and at such time or times as the Authority may consider advantageous. Bonds sold by competitive bid must be sold, whether on sealed bids or at public auction, to the bidder whose bid reflects the lowest effective borrowing cost to the Authority on the series of the Bonds being sold; provided, that if no bid acceptable to the Authority is received it may reject all bids. Notice or summary notice of each such sale by competitive bids shall be given by publica-

tion in either a financial journal or a financial newspaper published in the City of New York, New York, and also by publication in a newspaper published in the State which is customarily published not less often than five days during each calendar week, each of which notices must be published at least one time not less than ten days prior to the date fixed for the sale or, in the event no bid acceptable to the Authority is received at any such sale and the Bonds so offered are thereafter reoffered on the same terms and conditions, not less than five days prior to the date fixed for sale. The Authority may fix the terms and conditions under which the sale of any series of the Bonds may be held; provided, that the terms and conditions shall not conflict with any requirements of this Act. Approval by the Governor of Alabama of the terms and conditions under which any Bonds may be issued shall be requisite to their validity. Neither a public hearing nor consent of the State Department of Finance or any other department or agency shall be a prerequisite to the issuance of any of the Bonds.

SECTION 5. Appropriation of Revenues to the Authority; Pledge Thereof for the Benefit of the Bonds. For the purpose of providing for payment of the principal of, premium, if any, and interest on the Bonds and to accomplish the objects of this Act, there is hereby irrevocably pledged to those purposes, and hereby appropriated, the amount that may be necessary for those purposes from the following sources:

(a) The residue of the receipts from the excise tax ("the utility gross receipts tax") levied by Title 40, Chapter 21, Article 3, Code of Alabama 1975, as amended ("Article 3"), remaining after payment of the expenses of administration and enforcement of Article 3, being that portion of the tax that is required by Article 3 to be deposited in the State Treasury to the credit of the Alabama Special Educational Trust Fund, after there shall have been taken from the residue the amount necessary to pay at their respective maturities the principal of and interest on those bonds issued by the Authority under the 1971 Acts, the 1973 Act, the 1978 Act, the 1985 Act, or the 1990 Act that may be outstanding at the time of the delivery of the respective series of the Bonds authorized herein;

(b) The residue of the receipt from the excise tax ("the utility service use tax") levied by Title 40, Chapter 21, Article 4, Code of Alabama 1975 ("Article 4"), remaining after payment of the expenses of administration and enforcement of Article 4, being that portion of the tax that is required by Article 4 to be deposited in the State Treasury to the credit of the Alabama Special Educational Trust Fund, after there shall have been taken from the residue the amount necessary to pay at their respective maturities the principal of and interest on those bonds issued by the Authority under the 1971 Acts, the 1973 Act, the 1978 Act, the 1985 Act, or the 1990 Act that may be outstanding at the time of the delivery of the respective series of the Bonds authorized herein;

(c) The residue of the receipts from the license tax ("the lease tax") levied on those engaging in the business of leasing or renting tangible personal property levied by Title 40, Chapter 12, Article 4, Code of Alabama 1975 ("Chapter 12, Article 4"), remaining after payment of the expenses of administration and enforce-

ment of Chapter 12, Article 4, being that portion of the tax that is required by Chapter 12, Article 4 to be deposited in the State Treasury to the credit of the Alabama Special Educational Trust Fund, after there shall have been taken from the residue the amount necessary to pay at their respective maturities the principal of and interest on those bonds issued by the Authority under the 1971 Acts, the 1973 Act, the 1978 Act, the 1985 Act, or the 1990 Act that may be outstanding at the time of the delivery of the respective series of the Bonds authorized herein;

(d) To the extent and to the extent only that the revenues appropriated in the foregoing subsections (a), (b), and (c) of this Section may not be sufficient to pay at their respective maturities the principal of, premium, if any, and interest on the Bonds, the residue of the receipts from the excise tax ("the sales tax") levied by Title 40, Chapter 23, Article 1, Division 1, Code of Alabama 1975, as amended ("Article 1"), after there shall have been taken from the residue the amounts appropriated for other educational purposes in Section 40-23-35, Code of Alabama 1975 (which residue constitutes that portion of the receipts from the sales tax that is now required by law to be paid into the Alabama Special Educational Trust Fund), and after there shall have been taken from the residue amounts sufficient to meet all prior charges on the residue including such amounts as may be necessary to pay at their respective maturities the principal of and interest on those bonds issued by the Authority under the 1965 Act, the 1971 Acts, the 1973 Act, the 1978 Act, the 1985 Act, or the 1990 Act that may be outstanding at the time of the delivery of the respective series of the Bonds authorized herein; and

(e) To the extent and to the extent only that the revenues appropriated in the foregoing subsections (a), (b), (c), and (d) of this Section may not be sufficient to pay at their respective maturities the principal of, premium, if any, and the interest on the Bonds, the residue of the receipts from the excise tax ("the use tax") levied by Title 40, Chapter 23, Article 2, Code of Alabama 1975, as amended ("Article 2"), after there shall have been taken from the residue the amount necessary to meet the expenses of the State Department of Revenue in collecting the use tax (which residue constitutes that portion of the receipts from the use tax that is now required by law to be paid into the Alabama Special Educational Trust Fund), and after there shall have been taken from the residue such amounts as may be necessary to meet all prior charges on the use tax including the amounts sufficient to pay at their respective maturities the principal of and interest on those outstanding bonds referred to in subsection (d) of this Section.

All monies hereby appropriated and pledged shall constitute a sinking fund for the purpose of paying the principal of, premium, if any, and interest on the Bonds. The State Treasurer is authorized and directed to pay at their respective maturities the principal of, premium, if any, and interest on the Bonds out of this fund and out of the residues of the tax receipts herein appropriated and pledged for the benefit of the Bonds, and he or she is authorized and directed to set up and maintain appropriate records pertaining thereto.

SECTION 6. Bonds to be Payable Solely out of the Revenues Appropriated; Authorization for Authority to Pledge Such Revenues for the Bonds. The Bonds shall not be general obligations of the Authority but shall be limited obligations payable solely out of the residues of the tax receipts appropriated and pledged in Section 5 of this Act. All Bonds issued by the Authority pursuant to the provisions of this Act shall be solely and exclusively obligations of the Authority and shall not constitute or create an obligation or debt of the State. As security for the payment of the principal of, premium, if any, and interest on the Bonds, the Authority is hereby authorized and empowered to pledge the residues of the tax receipts that are appropriated and pledged in Section 5 hereof for such purposes. All such pledges made by the Authority shall take precedence in the order of the adoption of the resolutions containing the pledges. All such pledges shall be prior and superior to any pledges that may be made for any refunding bonds hereafter issued by the Authority under the provisions of any of the 1965 Act, the 1971 Acts, the 1973 Act, the 1978 Act, the 1985 Act, the 1990 Act, or any other act heretofore enacted.

SECTION 7. Refunding Bonds. For the purpose of refunding any Bonds or Refunding Bonds of the Authority issued under the provisions of this Act, the 1965 Act, the 1971 Acts, the 1973 Act, the 1978 Act, the 1985 Act, the 1990 Act or any other act previously enacted, or any combination thereof, whether the refunding shall occur before, at or after the maturity of the bonds refunded and for the purpose of paying all premiums and expenses of the refunding (including, but not limited to, attorneys' fees, costs of printing the Refunding Bonds, fiscal agents' fees, and accountants' fees), the Authority is hereby authorized to sell and issue its Refunding Bonds. Such Refunding Bonds may be sold and issued from time to time, at either public or private sale, and on such other terms and conditions as the Authority shall determine to be advantageous and shall adopt and provide for in its proceedings for the sale and issuance of such Refunding Bonds; provided, however, that no Refunding Bonds shall be issued unless the present value of all debt service on the Refunding Bonds (computed with a discount rate equal to the true interest rate of the Refunding Bonds and taking into account all underwriting discount and other issuance expenses) shall not be greater than 97 percent of the present value of all debt service on the Bonds to be refunded (computed using the same discount rate and taking into account the underwriting discount and other issuance expenses originally applicable to such Bonds) determined as if such bonds to be refunded were paid and retired in accordance with the schedule of maturities (considering mandatory redemption as scheduled maturity) provided at the time of their issuance. Provided further that the average maturity of the Refunding Bonds, as measured from the date of issuance of such Refunding Bonds, shall not exceed by more than three years the average maturity of the Bonds to be refunded, as also measured from such date of issuance, with the average maturity of any principal amount of Bonds to be determined by multiplying the principal of each maturity by the number of years (including any fractional part of a year) intervening between such date of issuance and each such maturity, taking the sum of all such products, and then dividing such sum by the aggregate principal amount of Bonds for which the average maturity is to be determined. Such Refunding Bonds shall be subrogated and entitled to all priorities, rights and

pledges to which the Bonds refunded thereby were entitled. For the purpose of providing funds to enable the Authority to pay at their respective maturities the principal of, premium, if any, and interest on the Refunding Bonds issued under this Act, the Authority is hereby authorized to pledge irrevocably for such purpose, and there is hereby appropriated for such purpose, such amount as may be necessary of the residues of the receipts from the excise taxes pledged and appropriated in subsections (a), (b), (c), (d), and (e) of Section 5 of this Act, any reserves or sinking funds established by the Authority, as well as revenues of the Authority from any other sources specified in the proceedings wherein the Refunding Bonds are authorized to be issued. Pending the application of the proceeds of Refunding Bonds issued in accordance with this Section, the proceeds, together with investment earnings therefrom, and amounts in any sinking fund, together with investment earnings thereon, may be held by the State Treasurer as treasurer of the Authority in trust, or may be deposited by the State Treasurer in trust, on such terms as the State Treasurer and the Authority shall approve, with a trustee or escrow agent, which trustee or escrow agent shall be a banking institution or trust company authorized to exercise trust powers in Alabama, for investment in Permitted Investments. Proceeds of Refunding Bonds shall be so invested and applied as to assure that the principal, interest, and redemption premium, if any, on the Bonds being refunded shall be paid in full on the respective maturity, redemption, or interest payment dates. Refunding Bonds issued by the Authority shall not be general obligations of the Authority but shall be payable solely from the sources specified in this Act and in the proceedings where the Refunding Bonds are authorized to be issued. All Refunding Bonds issued by the Authority shall be solely and exclusively obligations of the Authority and shall not create debts of the State of Alabama. The faith and credit of the State of Alabama shall never be pledged for the payment of any Refunding Bonds issued by the Authority under this Act. The Authority may contract with respect to the safekeeping and application of the Refunding Bonds proceeds and other funds included therewith and the income therefrom including the right to appoint a trustee which may be any trust company or state or national bank having powers of a trust company within and/or without the State. All other provisions of this Act shall apply to the Refunding Bonds issued hereunder except (a) the limitation contained in Section 2 of this Act on the amount of Bonds that may be issued under this Act and (b) the provisions of Section 8 of this Act. All pledges made by this Act or by the Authority pursuant to the provisions of this Act, for the benefit of Refunding Bonds issued under this Act, and all such pledges for the benefit of Refunding Bonds which may be issued to refund any bonds issued under any of the 1965 Act, the 1971 Acts, the 1973 Act, the 1978 Act, the 1985 Act, the 1990 Act or this Act, shall take precedence in the order of the adoption of the resolutions authorizing the issuance of such Refunding Bonds whether issued under this Act or under any other act. Bonds refunded prior to their maturity with the proceeds of Refunding Bonds shall be defeased if the Authority, in its proceedings regarding issuance of the Refunding Bonds provides for and establishes a trust or escrow fund comprised of monies or Government Securities, or both, sufficient to pay, when due, the entire principal of, premium, if any, and interest on the refunded bonds; provided, that such Government Securities shall not be subject to redemption prior to their maturities other than at the option of the

holder thereof. Upon the establishment of such a trust or escrow fund, the refunded bonds shall no longer be deemed to be outstanding, shall no longer be secured by the funds pledged therefor in Section 5 of this Act, shall no longer be obligations of the Authority and shall be secured solely by and payable from monies and Government Securities deposited in such trust or escrow fund.

SECTION 8. Use of Bond Proceeds. The proceeds derived from each sale of the Bonds shall be deposited in the State Treasury and shall be carried in a separate fund therein for the account of the Authority, which shall pay therefrom the expenses of issuance thereof. The expenses of issuance of the Bonds shall be prorated among the recipients listed in the Act of the proceeds from the sale of the Bonds in proportions they receive allocations of the proceeds thereunder. The proceeds from the sale of the Bonds remaining after payment of the expenses of issuance thereof shall be retained in the fund and, until they are paid out, shall be invested by the State Treasurer at the direction of the Authority in Permitted Investments which mature at such time or times as the Authority shall direct. Monies in the fund (whether original proceeds from the sale of the Bonds or principal proceeds of matured Permitted Investments) shall be paid out from time to time in orders or warrants issued by or on the direction of the Authority for any one or more of the purposes specified in Section 2 of this Act that may be deemed by the Authority to be most advantageous to the State, and such monies shall be allocated and expended by the Authority, subject to all the provisions of this Act, in the amounts set out as follows:

(a) One hundred twenty-five million dollars (\$125,000,000) for elementary-secondary school systems to be allocated pursuant to the findings of the Governor's Task Force on Critical Needs in concert with the prioritized list of needs provided by the superintendents of the local boards of education. Each superintendent of education from the 127 local boards of education will submit appropriate requests with documentation as established by the Alabama Public School and College Authority. Such documentation will include, but not be limited to, architectural analysis and cost estimates of the critical need to be addressed and funded. The Alabama Public School and College Authority will review the request in concert with the data collected by the Governor's Task Force on Critical Needs and award the funding where appropriate.

(b) Three million five hundred thousand dollars (\$3,500,000) shall be available for a supplementary allocation to those school systems where the findings of the Governor's Task Force on Critical Needs totaled less than the funds each school system would receive through an allocation method based on the average daily membership (ADM) for the first forty scholastic days of the school year 1994-95.

(c) Six million five hundred thousand dollars (\$6,500,000) shall be allocated to certain city or county boards of education in accordance with demonstrated needs as determined by the Authority.

(d) As the Governor's Task Force on Critical Needs was but a survey to determine the approximate amount needed to repair the critical needs of the schools, eleven million dollars (\$11,000,000) shall be allocated for special and critical needs as determined by the Alabama Public School and College Authority, to be based upon those schools and school systems that are identified as in need of assistance, pursuant to Section 3 of House Bill 466 (Public Education Accountability Plan) of the 1995 Regular Session. The Alabama School of Math and Science shall be eligible to receive allocations at the discretion of the Alabama Public School and College Authority from this sub-section and any such distribution may be expended to pay for existing debt service.

(e) Fifteen million dollars (\$15,000,000) to be allocated to the Alabama Youth Services Board to be expended, after obtaining approval of the Governor, for Capital Improvements and to make local capital improvement grants to local communities, comprised of one of more local governing bodies. Local capital improvement grants for at least five regional youth treatment centers may be funded by the Board, upon approval of the Governor. Any remaining funds may be used by the Board, upon approval by Governor, to fund local capital improvement grants for boot camps. Before awarding local capital improvement grants, the Alabama Youth Services Board shall require local communities to: (1) submit applications, including plans for regional youth centers and/or boot camps; and (2) show proof that operating funds for the regional youth treatment centers and/or boot camps can be provided. Any capital improvement grants are to be awarded to local communities by the Alabama Youth Services Board with the Governor's approval.

All records, contracts and other information related to the expenditure of funds in this subsection shall be provided by the Department of Youth Services to the Authority, upon the request of the Authority.

(f) Five million dollars (\$5,000,000) shall be allocated at the discretion of the Authority for Capital Improvements for facilities to serve students who need assistance in addition to the general education program, upon application by local boards of education to the State Department of Education. The State Department of Education shall submit to the Authority its recommendations for the expenditure of funds provided for in this subsection and the Authority shall consider the recommendations in making the allocations of these funds.

The Authority may establish additional criteria for the allocation of funds in this subsection, which may include required local matching funds, assumption of operating costs or other forms of cost sharing.

(g) Two million dollars (\$2,000,000) shall be allocated to the Board of Trustees of the Alabama Institute for the Deaf and Blind to provide funding for Capital Improvements at the Institute.

(h) Twenty-four million dollars (\$24,000,000) shall be available for an allocation for Capital Improvements to local boards of education through an

allocation method based on the foundation program allowance for other current expense as determined for fiscal year 1995-96. Notwithstanding the provisions of Section 5(b) of Act 95-314 as enacted by the Legislature in the 1995 Regular Session of the Legislature, only for fiscal year 1995-96 the foundation program state allocation shall be deemed to include the funds allocated to each local board of education pursuant to this sub-section.

(j) In expending proceeds from the sale of the Bonds according to the allocations set out in this Section, the Authority may take into account the existence of any unexpended proceeds of prior issues of bonds of the Authority (and of any other issuer, if such should be deemed by the Authority to be relevant), and may establish such procedures and requirements respecting use of unexpended proceeds of such prior issues by any recipient of any allocation thereof as a precondition to allocation to such recipient of proceeds of any of the Bonds, as the Authority deems necessary or prudent in order to enable the Authority to comply with any tax covenants that may have been required of it, or that may have been deemed by it to be prudent to be given by it, in connection with the sale of any series of the Bonds.

(k) Three years following the allocation of the proceeds of the Bonds, as provided herein, the Authority shall review any unexpended proceeds and shall, at its sole discretion, determine if said remaining proceeds shall revert to the Authority for reallocation under Section 8, subparagraph (d) of this Act.

Notwithstanding any of the foregoing and in addition to all powers heretofore granted to the Authority, the Authority is hereby expressly authorized to use the proceeds derived from the sale of bonds in accordance with the provisions of

Section 2 of this Act. The preparation of all plans and specifications for any building constructed wholly or in part with any of the money realized from this issue and all work done hereunder in regard to the construction, reconstruction, alteration and improvement of buildings shall be supervised by the Commission, or any agency which may be designated by the legislature as its successor, and the Authority shall reimburse the Commission for its reasonable direct costs in having plans, specifications and contract documents prepared and in supervising and inspecting the work. Additionally the Authority is hereby expressly permitted to pay to the Department of Finance and the State Treasurer's Office from time to time and from any funds available to the Authority, amounts to offset costs incurred in the administration of the business of the Authority. The cost of such compensation shall be prorated among the recipients of any of the bond proceeds in the same manner as the expenses of issuance are prorated in this section.

Since the amount of proceeds needed to meet the needs listed in Section 8, subsection (a) through (i) has been estimated, if such estimates are insufficient, said needs shall be allocated on a prorata basis. No funds provided herein for the two-year postsecondary

schools under the auspices of the State Board of Education shall be used for the payment of any salaries of personnel not under the direct control, employment and supervision of said institutions.

SECTION 6. In addition to appropriations herein made, all gifts, grants, contributions, or entitlements, in excess of the amount carried in the bill, including grants by the Congress of the United States, municipalities or counties, to any department, division, board, bureau, commission, agency, institution, office or officer of the State of Alabama are hereby appropriated and, in the event the same are recurring, are reappropriated to such department, division, board, bureau, commission, agency, institution, office or officer to be used only for the purpose or purposes for which the grant or contribution was or shall be made. Further, all state, county, municipal and educational entities are authorized to disburse such sums as deemed necessary by mutual agreement between said entities and the State of Alabama, Department of Examiners of Public Accounts to partially defray the cost of auditing services performed by said agency. All such sums are hereby appropriated and reappropriated if necessary to the Department of Examiners of Public Accounts for audit services, to be expended through the fund established by Section 41-5-24, Code of Alabama 1975.

SECTION 7. The State Superintendent of Education shall make requisitions on the State Comptroller in favor of the proper beneficiary in accordance with the law and rules and regulations governing the expenditure or disbursement of any and all funds appropriated to the State Department of Education and/or the State Board of Education in this Act, whereupon the Comptroller shall issue his warrant therefor. Furthermore, the Executive Director of the Alabama Commission on Higher Education may submit to the Comptroller requests for timely payments of warrants to students receiving financial assistance to attend postsecondary educational institutions. All other appropriations in this Act shall be paid after proper requisitions are made on the State Comptroller in the manner now provided by law.

SECTION 8. (a) Funds appropriated from the ASETF or earmarked state funds in this Act to any state department, division, board, bureau, commission, agency, institution, or office (with the exception of local boards of education and postsecondary institutions of education) shall not be expended for the purchase or lease of automotive vehicles. A state agency funded from the ASETF or earmarked state funds in this Act may request to purchase or lease automotive vehicles for emergency purposes. The request shall be made in writing to the Director of Finance, the Chairman of the House Committee on Ways and Means, and the Chairman of the Senate Committee on Finance and Taxation-Education. The request shall explain the nature of the automotive purchase or lease and the emergency need for the vehicle. The request shall be approved unanimously by the Director of Finance, the Chairman of the House Committee on Ways and Means, and the Chairman of the Senate Committee on Finance and Taxation-Education prior to the purchase or lease of any automotive vehicle.

(b) No funds appropriated in this act shall be expended for the purpose of purchasing optional equipment on state motor vehicles that consist of stereo equipment, power seats, leather upholstery, premium wheel covers, deluxe exterior trim, or sun roofs.

(c) On the last day of this fiscal year, each state school, college, department, agency, or like institution receiving funds under this act shall file a report with the Legislature detailing purchases of new motor vehicles during the fiscal year, including complete information on the date of purchase, make and model of the vehicle, standard equipment on the vehicle, optional equipment on the vehicle, and a complete inventory of all state motor vehicles assigned to, being used by, or being leased by the state school, college, department, agency, or like institution receiving funds under this Act, and shall also submit an inventory report of all motor vehicles that it operates that do not have state vehicle identification license tags.

SECTION 9. It is the intent of the Legislature that all salary increases granted to lunchroom workers by the Legislature beginning October 1, 1993 and October 1, 1994 shall be fully funded by local school boards from state funds provided in this Act and not from funds generated by lunchroom sales. A school board may obtain a waiver from the provisions of this section for a particular school or schools by applying for such a waiver in writing to the State Superintendent of Education. The State Superintendent may recommend a waiver in writing if the facts presented by the local school board warrant such a waiver and the state school board approves the waiver.

Professional development funds shall be allocated by the State Board of Education through the State Superintendent to each In-Service Center in each geographical area of the state based upon the total allocation (\$60.00 per state funded certificated unit) to the school systems in each In-Service Center's present geographic region. Funds shall be transferred to each Center by the Department of Education within 30 days of receipt of said funds. It is the intent of the Legislature that in subsequent fiscal years, Regional In-Service Center funding will be market-driven through contracts for professional staff development which are derived from local school districts, based upon the Center's ability to service the Professional Development needs of the teachers in each school district. Each school district and its professional staff shall use whatever portion of its future funding for purchasing professional development services from Regional In-Service Centers as may be deemed appropriate.

SECTION 11. Nothing in this Act shall be construed to affect or repeal any law authorizing or permitting any college, school or other education or eleemosynary institution of the State to receive, collect or disburse any fees, tuitions, charges, sales, endowments, trusts or income therefrom, which are now or may hereafter be authorized to receive, collect or disburse. The receiving college,

school or institution shall further maintain separate accounts for such receipts or shall maintain a system of accounting which will show a cash flow of such receipts received under the provision of this appropriation.

SECTION 12. The appropriations made herein to the departments, boards, offices, commissions, and agencies include the amount necessary and said departments, boards, offices, commissions, and agencies are hereby directed to make the transfer of funds to the State Personnel Department in the amounts enumerated in the general appropriation act for the fiscal year ending September 30, 1996. All agencies enumerated in this Act that receive services from other governmental agencies enumerated in the general appropriations act shall make full payment in a timely manner (as determined by the Department of Finance) for such services.

All encumbered balances of a previous fiscal year appropriation other than the exclusions authorized by the Code of Alabama 1975, Section 41-4-93, shall lapse no later than September 30 of the fiscal year immediately following the fiscal year for which the appropriation was made and shall revert to the credit of the ASETF or earmarked fund from which the appropriation or appropriations were made.

SECTION 14. If any section, paragraph, sentence, clause, provision or portion of this Act or all or any portion of any appropriations herein made be held unconstitutional or invalid, it shall not affect any other section, paragraph, sentence, clause, provision or portion of this Act or any other appropriation or appropriations or portion thereof hereby made not in and of itself unconstitutional or invalid.

SECTION 15. All laws and parts of laws, general, special, private or local in conflict with or inconsistent with the provisions of this Act be and the same are hereby expressly repealed.

SECTION 16. This Act shall become effective on October 1, 1995.
